

CARES ACT RETIREMENT ACCOUNT RELIEF PROVISIONS

Waiver of 10% early distribution penalty. The additional 10% tax on early distributions from IRAs and defined contribution plans (such as 401(k) plans) is waived for distributions made between January 1 and December 31, 2020 by a person who (or whose family) is infected with the Coronavirus or who is economically harmed by the Coronavirus (a qualified individual). Penalty-free distributions are limited to \$100,000, and may, subject to guidelines, be re-contributed to the plan or IRA. Income arising from the distributions is spread out over three years unless the employee elects to turn down the spread out. Employers may amend defined contribution plans to provide for these distributions. Additionally, defined contribution plans are permitted additional flexibility in the amount and repayment terms of loans to employees who are qualified individuals.

Waiver of required distribution rules. Required minimum distributions that otherwise would have to be made in 2020 from defined contribution plans (such as 401(k) plans) and IRAs are waived. This includes distributions that would have been required by April 1, 2020, due to the account owner's having turned age 70 1/2 in 2019.
